Independent Accountant's Report

Robbie Rudolph, Secretary, Finance and Administration Cabinet
The Honorable Gina S. Lee-Watson
Cumberland County Property Valuation Administrator
Burkesville, Kentucky 42717

We have performed the procedures enumerated below, which were agreed to by the Cumberland County Property Valuation Administrator (PVA), solely to assist you with the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts for period July 1, 2004 through June 30, 2005. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Cumberland County PVA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month.

Finding -

The PVA maintains a receipts ledger and disbursements ledger; however, there was no documentation of monthly bank reconciliations.

2. Procedure -

Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also review the list of city receipts for completeness.

Finding -

Recorded city receipts agreed to confirmed payment amounts obtained from city governments. City receipts were complete.

3. Procedure -

Compare the budgeted statutory contribution by fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

The budgeted statutory contribution by fiscal court agreed to the legally required amounts calculated by the Department of Revenue. The payments from fiscal court traced to the PVA's receipts ledger.

4. Procedure -

Select a sample of disbursements from available PVA's records and agree amounts to cancelled checks, paid invoices, or other supporting documentation. Determine if the expenditure is for official business.

Finding -

Disbursements tested agreed to cancelled checks and paid invoices and appeared to be for official business.

5. Procedure -

Compare capital outlay disbursements with cancelled checks, supporting documentation, and proper purchasing procedures. Verify the location of newly acquired assets.

Finding -

Auditor inquired of the PVA and scanned the disbursements ledger for capital outlay disbursements. There did not appear to be any capital outlay expenditures for the year ended June 30, 2005.

6. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

The PVA did not participate in any lease agreements or contracts for the year ended June 30, 2005.

We were not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on the receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Property Valuation Administrator and the Department of Revenue and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,
